The Honorable Spencer Bachus
Bachus for Congress Committee
Post Office Box 131134
Birmingham, Alabama 35213

Dear Congressman Bachus:

On behalf of our four million members, the National Rifle Association Political Victory Fund is proud to endorse your candidacy in your primary election in Alabama's sixth congressional district. Based on your solid and consistent pro-gun voting record in Congress, you have earned an "A" rating from the NRA-PVF in this election.

As a Member of Congress, you have demonstrated a proven and consistent commitment to our Second Amendment rights by voting for legislation enacted into law to curb bogus lawsuits against gun manufacturers and to prohibit gun confiscation during states of emergency. You have also helped to restore self-defense rights in our nation's capital by cosponsoring and voting for the D.C. Personal Protection Act and the Second Amendment Enforcement Act, as well as signing the pro-gun congressional amicus brief to the Supreme Court supporting our individual Right to Keep and Bear Arms in the *Heller* case. Most recently you signed the pro-gun congressional amicus brief that the Second Amendment applies to state and local governments in the *McDonald* case now before the Supreme Court. Finally, we appreciate your cosponsorship and support for legislation to force reform at the federal Bureau of Alcohol, Tobacco, Firearms and Explosives.

Again, thank you for your unwavering support for Alabama's gun owners, hunters and shooters. Good luck this year and we look forward to our continued relationship.

Sincerely,

Charles H. Cunningham
Director of Federal Affairs
